Woodmere, NY 11598

Dear Nick:

On behalf of Jared Sirota, Chairman of the 1<sup>st</sup> Annual Dysautonomia Bowl-a-thon, and all the patients who have FD, we sincerely want to thank you for your support, your generosity and your caring.

You and the staff at Woodmere Bowl were so professional and courteous. We can't thank you enough for all you did to make the day the success and fun that it was.

It was a wonderful day that raised a lot of money and everyone had a good time. All money raised goes towards the support of the Treatment Centers and helps fund researchers to find new treatments for those with FD.

Each and every dollar brings us one step closer to the ultimate goal of finding a cure for FD.

Again thank you for everything.

Sincerely,

Maryon Weill  
Assistant Executive Director
