Dear Nick:

On behalf of Jared Sirota, Chairman of the 2nd Annual Dysautonomia Bowl-a-thon, and all the people who have FD that we represent, we sincerely thank you for your support of this important Fundraising Event.

This year's Bowl-a-thon was a fantastic success and it was in no small part due to the professional and courteous staff at Woodmere Bowling Lanes. We can't thank you enough.

It was a wonderful day as we were able to raise a considerable amount of money and everyone had a great time. All money raised from our events goes to fund treatment centers and research for discovering new treatments for those with FD.

Each and every dollar that we raise will bring us one step closer to achieving our ultimate goal of finding a cure for FD.

Again, thank you for everything.

Sincerely,

David Brenner
Executive Director
