Dear Nick:

On behalf of the Peninsula Kiwanis Club, I'd like to thank you and your staff for hosting our Fred Morra Bowl-a-Thon. As you know, we were able to earn a net profit of more than \$4500 due in great part to the help and guidance you gave us. The club is planning to donate the entire amount to the Nassau/Suffolk Autism Society in the name of our deceased member, Fred Morra.

I can tell you that you made a lot of new friends with the Peninsula Club. Hopefully this will translate into some new business for Woodmere Lanes.

Thanks again for all your help. Ernie DiChiara and I look forward to working with you next year.

Sincerely,

Jim Oliveri
