Dear Mr. Paxinos:

I would like to thank you for all you have done to make our annual Mitzvah Morning a success. We instituted this day to provide our students with the opportunity to fulfill the mitzvah, the commandment, of doing acts of loving-kindness. Our older students are given the chance to interact with the elderly or handicapped. One group of children bowls with the residents of Lawrence House. It was very generous of you and your partners to waive the fee for games and shoes for the Lawrence House residents and aides, making it possible for them to experience this time with our students. Your further generosity in charging the students a reduced fee to bowl and providing them with shoes at no cost was truly appreciated. You, too, did a mitzvah.

Thanking you again for your kindness and generosity,

Sincerely,

Ellen Shifrin
